Facility/ Shoes and Outer Footwear

Students are required to remove outer footwear before entering studios. Hooks are available in upper level studios – please do not leave them in Hallway Gallery. Boot racks are available at front or back entrances. Lower level studios have a warm-up prep room for jackets, backpacks and shoes/boots. SAC is not responsible for lost or damaged items. Washrooms are available for changing. It is imperative that NO outdoor shoes, or boots, are left in the hallway, or come into the studios at any time. The studio floors are very exclusive, expensive and sensitive to any moisture, gravel, dirt, or hard soles. They are designed to accommodate several dance disciplines but only with the proper dance footwear. **Absolutely no outdoor shoes in studio allowed.**

Zero Tolerance

Bullying, harassment, foul language, vandalism or disruptive behaviour will not be tolerated. If issues cannot be resolved, parties involved will be suspended. Complaints should be made in writing to the SAC office. Instructors reserve the right to remove students from class upon their discretion.

Performance/Mentoring opportunities

A final recital will be held in April, Opportunities to perform in festivals, competitions and other events available as arranged with the instructors on a class by class basis. Mentoring is encouraged; older or advanced students may arrange with instructor to participate in classes in this way.

Recital

There will be a year-end recital showcasing each class; we will have a dress rehearsal at the end of the season to get ready for the show. There will be tickets on sale in April at a cost of \$10. Students are required to be in both (rehearsal and recital) in order to have a successful event.

Bursary: Assistance may be available – Ask office for details.

Waiting areas

Lower Level - Parents and siblings are asked to wait in the warm-up/prep room, or in the hallway. All outer footwear and boots are asked to stay in the warm-up/prep room, as students come in and out into this hallway with their dance shoes and we want to keep that hallway dry. Please keep siblings/children quiet in this area as to not disturb the classes. There are two times per season the parents are invited in to participate or observe the class – otherwise parents are not allowed in the classroom, in respect for the teacher to have complete attention.

Teachers may from time to time, open the blinds slightly for parents to observe from the hallway; however, if the students are distracted these will be closed.

Upper level studios – Please wait in the Hallway Gallery. As this is an exhibit area for the public, we ask that boots and outer footwear be left at the front or back entrance and jackets in the studios on hooks to keep the Hallway in order. Please DO NOT touch the artwork at any time – it is there for you to enjoy!

Please keep noise down to a low level as there are some classes running in studios like Yoga, or Visual Arts, which are easily disturbed by crying children, yelling, or running in the hallway area. Water fountain is located upstairs next to Studio B.
