you will learn how to work with clay. You will make several hand built pieces, as well as learning some elementary basics of throwing pieces such as small bowls, pots, vases & more! The bisquing of all pieces is included and the glazing and final firing is included.

Wedging Clay

Centering on the Wheel

Basic Pulling Techniques

Making the Perfect Cylinder

Glazing Choice

Cancellations/Refunds – Full refunds are given only when you cancel two weeks prior to start date of class/workshop. If not enough registrants are received for a specific class, there is the possibility that the class will have to be cancelled. If this were to happen the student would receive a full refund.

Membership fees are non-refundable.

One week prior to the class, a reminder phone call will be given to let you know the class is coming up, direction to the centre, and location of the classroom along with dates and time of class.

If you have any questions or concerns, please feel free to call 346-1077.
